

How to unblock pop-ups:

Important Information:

1. You must apply the steps below on all browsers that will be used to send BPAC MDM referrals (i.e. Hospital desktop, Practice/clinic desktop, Personal laptop etc.)
2. The steps below apply to Google Chrome. We recommend you use Google Chrome when sending a referral via BPAC.

Type chrome://settings/privacy on the browser's address bar	
Click Site Settings	
Click Pop-ups and redirects ,	
Click ADD	
Type https://www.bestpractice.org.nz/nl_login.asp on the highlighted area below and click ADD	
Click ADD again	
Type https://ds1.bestpractice.org.nz/nl_login.asp? on the highlighted area below and click ADD	
Your pop-up setting should now look like this	
Login to BPAC using your credentials and click Midland eReferral .
